**Teresa Wentzler, Leisure Arts : Teresa Wentzler's Woodland Faerie (Leisure Arts #3342)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Teresa Wentzler's Woodland Faerie (Leisure Arts #3342):

4 of 4 people found the following review helpful. Cross stitch pattern of Woodland faerie By LeiaSolo This is a good pattern to work from Teresa Wentzler. She uses a lot of combinations of threads in her patterns and this is one of them. Very good pattern and it took me about 1-3 months to create.

Delight your imagination with this cross stitch framed piece featuring an enchanting faerie and a woodland mouse. Flowers and ferns spill out onto the elegant border. The design is worked on 28-count Antique White Monaco over two threads.
