Jac Scott : Textile Perspectives in Mixed-Media Sculpture before purchasing it in order to gauge whether or not it would be worth my time, and all praised Textile Perspectives in Mixed-Media Sculpture:

Textile Perspectives in Mixed-Media Sculpture celebrates the prodigious sculpture created by artists who operate on the interface of mixed-media sculpture and textile art. It reveals the inspirations, influences, and creative journeys of over 30 contemporary artists, and explains the practical processes and raw materials they use.

About the Author Jac Scott is a nationally renowned artist specializing in mixed-media sculpture, and maintains a national programme of solo and group exhibitions. She is a member of 'The 62 Group of Textile Artists', a part-time

lecturer and a recipient of awards from both the environment and the arts sector.
