**Gailen Runge : The 3-in-1 Kiki Bag Pattern** before purchasing it in order to gage whether or not it would be worth my time, and all praised The 3-in-1 Kiki Bag Pattern:

entire pattern wrong, how she had me put this bag together made no sense and it came out horrible looking. I am modifying the pattern and going to try this purse again. This time, I am cutting out the bottom separately and going to sew that first. Once I have this bag entirely sewn together in a "square", I cannot for the life of me get this thing under my machine to stitch up the X and Hexagon shaped bottom like her directions tell me to do. 0 of 1 people found the following review helpful. Perfect! By Anna C Allred Perfect! 0 of 0 people found the following review helpful. Don't waste your money By Silverfleet Gave this one star because I could not rate it lower. The tote bag is an extremely poor design. The way the bottom goes together is confusing and extremely difficult bordering on impossible to get into the sewing machine. As far as the zipper bags go there are much much better looking ways to install zippers. Go to YouTube and watch some videos and don't waste your money on this pattern.

Sew a tempting trio of bags that works well together or separately great for shopping trips, a weekend getaway, or date-night essentials! Cut into your favorite fabrics and make a carryall bucket tote, a sassy shoulder bag, and a just-right wristlet. Keep your contents secure with a magnetic closure, plenty of pockets, and swivel hooks to securely clip the purse in place within the bucket bag. Full-size patterns plus tips for sewing success are included. 3 bags in 1! About the Author Gailen has been both quilting and editing since 1991. In publishing she specialized in magazine startups, and in quilting she operated her own custom-quilt business before joining CT Publishing in 2002. A true serial crafter, she will try any and every craft at least once. With two small children at home, quilting sometimes takes a backseat to other (less time-consuming) soft crafts, such as designing and sewing bags and clothing and knitting.
