Lots of pictures to color, some intricate, some easier. 1 of 1 people found the following review helpful. It's a nice book but... By Muslimah Moore The pictures are beautiful. However, I don't like that the pages aren't perforated so I can easily tear the pages out and frame them if I want to. 0 of 0 people found the following review helpful. Five Stars By Customer I love the pictures, good for alone time.

RELAX. REFRESH. RENEW. Life is full of demands. Appointments, deadlines, obligations, and constant digital chatter occupy every moment and build a mountain of unhealthy stress and tension. Research shows that coloring can be an effective stress reducer, but true rest and peace are found in God. Based on Gary Chapman's New York Times best seller, The 5 Love Languages, this coloring book is filled with beautiful illustrations and quotes that will help reinforce the five ways to express and experience love while encouraging relaxation and peace. Be refreshed and renewed as you meditate on truths that help you nurture your closest relationships. Watch each page come alive as you

fill the images with the beauty of color. Take a break from your busy schedule and the stress that accompanies it. Celebrate your love and relationship, the worries of life can wait.
