Kristin Nicholas : The Amazing Stitching Handbook for Kids: 17 Embroidery Stitches 15 Fun Easy Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised The Amazing Stitching Handbook for Kids: 17 Embroidery Stitches 15 Fun Easy Projects:

0 of 0 people found the following review helpful. Highly recommendBy coolbeansThis would make a great gift for anyone who wants to learn how to embroider. I created a basket which included the book and supplies and gave it to an 11-year-old who has been wanting to learn to embroider. She was quite nervous getting started, so I spent some time with her to work through the first project, but now she's embroidering designs on jeans and other clothes.

Give your young designer the gift of learning how to embroider and personalize almost anything. From the basics of traditional needlepoint to the skills of free-form embroidery, this book encourages kids to unplug from technology and plug into a calming, creative outlet instead. Fifteen projects run the gamut from pillows to phone carrying cases to backpack tags; the variety of stitches to use on them ensures that kids will be entertained for hours.

This is an exciting, how-to book to get kids interested in embroidery, from embellishing clothing to making pictures and getting creative. Kristin shows how to transform boring stuff into awesome stuff with just a needle and thread. The great thing about embroidery, she says, is that you can work on it almost anywhere, so its perfect for road trips and rainy days. There are clear instructions so kids can produce a variety of simple stitches and customer each project making them look exactly they want them too. Love to MakeAbout the AuthorKristin Nicholas is a knitting/needlework industry veteran of more than thirty years. She is a featured expert on PBS's Knit and Crochet Now and has appeared on Martha Stewart Living TV. Kristin lives with her family in Massachusetts. kristinnicholas.com.
