Lori Zimmer : The Art of Cardboard: Big Ideas for Creativity, Collaboration, Storytelling, and Reuse before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Cardboard: Big Ideas for Creativity, Collaboration, Storytelling, and Reuse:

1 of 1 people found the following review helpful. Good for everyone, seasoned collectors, children, coffee table book buyers, and casual art fans.By Craig M. OneilThe Art of Cardboard is a fantastic read that delves deep into an amazing art form. The book provides a passionate collector like my the opportunity to delve deeper into work I know, and discover new work I am unfamiliar with. That to me shows a real passionate exploration and gives me something I can keep coming back to. The projects section in the back provide a new dimension, allowing the ready to now participate and I cant wait to try some of the ideas out myself.4 of 4 people found the following review helpful. Order yours today!By Gilbert ZimmerFabulous book. Well designed, informative, interesting reading. Would recommend .. so glad

we purchased.0 of 0 people found the following review helpful. I always enjoy Ms. Zimmer's POV and this book is no ...By KathleenI always enjoy Ms. Zimmer's POV and this book is no different! The book itself is beautiful with tons of great images. I loved each artist's take on the medium of cardboard. It's so great to see such fantastic use of sustainable materials! The DIY projects are also super neat. I'm excited to make a DIY cardboard table!This is a great addition to your art book collection!

Breathe new life into that old cardboard box! Though paper and cardboard seem common and humble materials, discover the totally unexpected, beautiful and intricate art that can be created using the repurposed and up cycled resource. The Art of Cardboard showcases the grand and imaginative scale of cardboard art and design. Inside, you'll find jaw-dropping cardboard creations from around the world! You'll discover the process of each art form, as well as tricks of the trade, from small clever projects to huge art installations. Much more than a book about "neat" cardboard designs, Lori Zimmer guides you through amazing large-scale art production, immersive environments, working from intuition, collaboration, the artist's role in society, alternative creative economies, contemporary mythology, storytelling and more. With such a readily available material, what will you create?

About the AuthorLori Zimmer is a writer and curator who has evolved along side the public art/graffiti community. She is also the creator of popular blog Art Nerd New York, an art history guide to New York City that also provides off beat access to public art, exhibitions and artists studios. Since 2009, Lori has been working actively in the art world on many facets, from writing to curatorial projects to advising artists and event planning. Known for mounting exhibitions that often have a narrative thread, she has curated projects for organizations like Times Square Arts, SCOPE Art Show in Miami and New York, and for the ACT/ART committee for the White House. Lori Zimmer is the author ofThe Art of Cardboard(Rockport Publishers, 2015)andThe Art of Spray Paint(Rockport Publishers, 2016). Zimmer resides in New York City, but travels every chance she gets, visiting artists and galleries across the world.
