Al Stohlman : The Art of Hand Sewing Leather before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Hand Sewing Leather:

0 of 0 people found the following review helpful. Gives lots of methods on sewing leatherBy CustomerI have enjoyed the introduction and the instructions and illustrations from this book. It is very helpful for my beginning leather work.0 of 0 people found the following review helpful. Art of Hand Sewing Leather BookBy CustomerSo far so good. Just started to read the book so not too much into but have learned a couple of valuable tips and techniques already. Therefore, a worth while purchase. Came neatly packaged in a box, was not even aware that it was a box inside, the packaging was very well done.0 of 0 people found the following review helpful. Five StarsBy DonSo easy they walk you through it...

Stiching techniques with valuable information on tools and materials needed to get started.
