**Lloyd Johnson : The Beginner's Guide to Growing Marijuana: Everything You Need to Start Growing Weed at Home** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Beginner's Guide to Growing Marijuana: Everything You Need to Start Growing Weed at Home:

0 of 0 people found the following review helpful. Five StarsBy JenaGreat beginners guide. Learned a lot just by this

little manual. Good for beginners.0 of 3 people found the following review helpful. Could become much better.By Dr. Darryl GeorgeCould be a lot better with pictures, not the few black and white drawings.0 of 3 people found the following review helpful. Five StarsBy Ammon ClarkLove this book so far! My first product iv bough from and been happy with!

Advice for growing cannabis at home!Cannabis can be a tricky plant to cultivate, but The Beginner's Guide to Growing Marijuana makes it easy by guiding you through each stage of development to ensure that you always build a thriving garden. Inside, you'll find everything you need to know about growing and harvesting marijuana, from choosing the right herb strain to establishing the perfect soil conditions, light, and temperature for your plants. Featuring illustrations that depict the cannabis's anatomy, you'll also discover the differences among various types of plants, how to tell a male marijuana plant from a female, and what it looks like when it's ready to be harvested. Complete with quick "Money Smart" tips and "Keep It Simple" sections, this one-stop resource shows you how to get the most out of your money and time when you're nurturing your first crop.Filled with plenty of techniques for small-space and container gardening, The Beginner's Guide to Growing Marijuana will help you master the art of growing cannabis--no matter how small your space or budget!

About the AuthorLloyd Johnson began growing the herb as personal medicinal treatment and now helps others find relief through cannabis use. He lives in California and has a thriving herb garden.
