Four Stars By Pam Kartak Good project book 0 of 0 people found the following review helpful. excellent book By batyl This book has some really good projects. Also has some good explanation of methods. I'm an experienced sewer and like the explanations. It has some good projects for the beginner and for the advanced.

Even if you've never been in the same room as a sewing machine or couldn't sew on a button to save your life, this book makes sewing simple. With the basic skills it teaches, you can make so many wonderful things for your home and your wardrobe. Sixty easy projects are included to help you experience the overwhelming sense of pride that comes from saying "I made it." You and your very cool custom-made creations will be the envy of all your friends.
