This is a wonderful collection of fantasy cross stitch patterns from Teresa Wentzler, one of the most talented cross stitch designers ever. The book includes 11 designs, full charted and will clear illustrations. This is a great way to get some of Teresa's patterns that are now out of print. 2 of 2 people found the following review helpful. It's Teresa Wentzler... By Mrs.

Teresa L. Kasafir...so what's not to like? ;) She does wonderful fantasy designs. A picture tells a thousand words, and each one of these tells it's own story. The more you stitch a design, the more you see in it. Love her stuff. 1 of 1 people found the following review helpful. Worth the time and energy you'll spend. By RachelLovely, lovely work. A bit more involved than your average cross stitch, but then again that extra work is what makes her designs so much more special. Worth staying with it and improving your skills. Worth buying the nicer supplies rather than settling for WalMart Aida cloth, etc. You get what you pay for and what you put into it.

Engage your imagination with these breathtaking cross stitch scenes from Teresa Wentzler. The gifted artist presents some of her favorite creations from fairy tales and fables in this long-awaited second collection of fantasy designs. See a young sorcerer learn his trade, enjoy a quiet moment with a peaceful unicorn, and look into the eyes of a wistful mermaid. Feeling intrepid? Set a course for adventure on a tall ship, or travel back in time to see the chivalrous beginnings of a medieval saga. 11 designs: Celestial Dragon, The Guardian, The Storyteller, The Enchanter, Fantasy Triptych, Tradewinds, Mermaid, and four petite designs: Castle Ridge, Above the Clouds, Peacock Majesty, and Gentle Creature.
