From Brand: Time Life Education : The Big Book of Flower Gardening: A Guide to Growing Beautiful Annuals, Perennials, Bulbs, and Roses before purchasing it in order to gage whether or not it would be worth my time, and all praised The Big Book of Flower Gardening: A Guide to Growing Beautiful Annuals, Perennials, Bulbs, and Roses:

1 of 1 people found the following review helpful. Excellent reference guide!By TomVery concise, detailed instructions and information on building beautiful and interesting flower gardens. The only aspect I would improve is a bit more information in the individual plant listings in the back. But, that is very minor. I highly recommend this

great book!2 of 2 people found the following review helpful. Five StarsBy Jody PhillippoWonderful reference book. Good purchase! :)7 of 7 people found the following review helpful. Getting started with flower gardeningBy Paul MarksI chose this product based on a friend who had the same item. I like the information it provides for the types of plants I am putting in my garden. I would recommend this product to any one getting started with a garden or who has an established garden.
