**Ana Paula Rimoli : The Big Book of Little Amigurumi: 72 Seriously Cute Patterns to Crochet** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Big Book of Little Amigurumi: 72 Seriously Cute Patterns to Crochet:

20 of 20 people found the following review helpful. If you have not purchased a ami book from this author... Great buy! By Mona I am also in agreement with the other low reviews, do not purchase if you own her previous work! This book contains several repeats. However, if you are new to the world of ami, finally returned other ami books to the library/friends, or ready to make some summer craft goals, this is a great purchase. The book contains what I believe are the highlights of Paula-Rimoli's other ami books. 9 of 9 people found the following review helpful. loads of patterns pictures By Customer Received quickly, good price. Full of pictures and clear instructions. This is a nice simple to use book for beginners, which I am. I do prefer a bit more detailed finished amigurumi designs. Still will make all the patterns and enjoy gifting them. 5 of 5 people found the following review helpful. Great Book By L. Hammer This is a compilation of Ana's previous works, in a large edition. As others have mentioned, there is no need to buy this book if you own the others. But if you don't, or you'd like a complete volume, this is the work for you.

With these Amigurumi patterns by popular designer Ana Paula Rimoli, you can quickly stitch zany, roly-poly toys for girls and boys. Find 72 wildly creative crochet projects in one value-priced book.

About the Author Ana Paula Rmoli was born in Montevideo, Uruguay, and learned to crochet as a child. She began crocheting toys when her own children were born and now hosts her own popular website featuring her crocheted designs. The toy collection is growing and growing, slowly taking over the whole house!
