**Valerie Janitch : The Blackberry Hollow Cuddly Toy Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Blackberry Hollow Cuddly Toy Book:

Showing how to create cuddly toys from needle and thread, fur, fabric and felt, this book has photographs depicting scenes from Blackberry Hollow, Professor Barnowl's high school, and many more. There are full-size patterns of all the characters, with detailed instructions and diagrams.
