Chris Rich : The Book of Paper Cutting: A Complete Guide to All the Techniques With More Than 100 Project Ideas before purchasing it in order to gage whether or not it would be worth my time, and all praised The Book of Paper Cutting: A Complete Guide to All the Techniques With More Than 100 Project Ideas:

0 of 0 people found the following review helpful. Beautiful stuff!By Christi UpsonIntricate patterns of beautiful pictures/embellishments. These will take some patience and very small, very sharp scissors, but could well be worth the work to create multi-media art or framed art for any home. Would recommend!3 of 3 people found the following review helpful. Review of Paper Cutting BookBy Ann HamlinThis book helped me a lot when I was taking Paper Cutting classes. It helped me to practice until I excelled. I would recommend it.2 of 2 people found the following review helpful. Ok.By Karen KoernerI would like a better description of contents. Didn't have what I thought it would. good condition however and what little description there was, it was appropriate and correct.

Papercutting is functional, inexpensive and easy to learn. This guide to papercutting presents ideas on decorating the home and making gifts, among other things.

From School Library JournalYA-Beginning and experienced paper cutters will treasure this book, which features clear

and easy-to-follow directions, projects graded for difficulty, attractive diagrams, and photographs of masterworks. The history of the art reflects many cultures; thus, students will find ideas here to enhance social studies as well as art assignments. Copyright 1994 Reed Business Information, Inc.
