before purchasing it in order to gage whether or not it would be worth my time, and all praised The Centennial Sampler:150 Five Inch Miniature Patterns Plus Miniature Quilt Layouts:

This book contains one hundred and fifty five inch miniature patterns. It also has layouts for miniature wallhangings as well as the borders, swags and tassels to make the quilt. It is spiral bound for your convenience. Schoolhouse Quilt Shoppe is the home of Judie Rothermel. We carry all my collections of authentic reproduction fabric designs in collaboration with Marcus Brothers Textiles. We also carry a variety of my quilt pattern designs, kits and notions. In addition to owning the Schoolhouse Quilt Shoppe for 25 years, I am the author of several quilting books featuring miniature and traditional patchwork patterns.
