**Mr. Jonathan Jay Brandstater : The Character Acting Cats Coloring Comic Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Character Acting Cats Coloring Comic Book:

The Character Acting Cats Coloring Comic Book is a sort of comic book designed in such a way as to allow the reader to color the pages. The book itself consists of a series of cartoon style drawings with captions. The feline characters

are all figments of the author's imagination. The names sound similar by design. In addition, they are plays on words suggestive of the cat's behavior or "profession."
