**Annmarie Harris : The Christmas Origami Kit (Holiday, Activity) (Petite Plus Kit Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Christmas Origami Kit (Holiday, Activity) (Petite Plus Kit Series):

8 of 8 people found the following review helpful. Cute stocking stuffer, not much else By stackenblochen Be sure to pay attention to the product dimensions - this is a tiny box kit, like the kind you'd find on a rack by the checkout line in a bookstore. The sheets are a little larger than the box itself, and folded into fourths to fit inside. The paper's patterns are nice and bright, and the non-patterned sides are colored red or green rather than white. The paper is sort of slick, and a little more like gift-wrap than regular origami paper. The low rating mostly comes from the book, which is of course very small and hard to read, and has really simple and uninteresting figures. They include a very basic tree, an angel, some ornaments and a paper crane. The book even recommends drawing on some of the figures (like the angel) to make it more clear as to what they're supposed to be. It's about what you'd expect from a checkout-line kit, and might be a good stocking stuffer for a kid interested in origami. 0 of 0 people found the following review helpful. Great kit! By JBell Love this little kit! The instructions are very easy to follow! Have only completed 1 of the projects (Sensational Star) but it was not too difficult. 0 of 0 people found the following review helpful. Four Stars By Martin J. Sinclair Enjoyed this and good for kids to make something instead of buying everything.

Bring the ancient art of origami into your home for the holidays. Kit measures 3-1/2 inches wide x 4-1/4 inches high x 1-1/2 inches deep. Enclosed hardcover book, Christmas Origami, includes complete instructions for six decorations, from a heavenly angel to a traditional peace crane. Includes 24 sheets of designer paper. Origami creations can be used

as gift tags, place cards, or ornaments, for a touch of homespun cheer.
