Barbara Delaney : The Cloth Paper Scissors Book: Techniques and Inspiration for Creating Mixed-Media Art before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cloth Paper Scissors Book: Techniques and Inspiration for Creating Mixed-Media Art:

1 of 1 people found the following review helpful. Mixed Media's Little TreasureBy Lady HaaseASIN: B00DH40S4YM. Delaney's book is an excellent book dedicated to the ideas and actions of Mixed Media. The book is a small compendium of articles published in the Cloth and Paper magazine. It is filled with suggestions and how-to's that easily lead to action. I have not finished this book, as I am working through one chapter at a time. The projects will take me about nine more to complete. The writing is fluent, descriptive, and apparently technical accurate. I am please with the results I have achieved this far.I suggest that the reader take time with the text, enjoy the descriptions and envision the procedures. Too quickly a read will not give the information necessary to produce a product. As with

all good crafting books, reading and thinking about the text will yield the greatest result. 2 of 2 people found the following review helpful. Cloth, Paper, Scissors By Kay R. Mixed Media has given to me a love of the arts and crafts I have not known before only because I am being taught to use all the tools for all media. I love learning, I love looking at all the ideas that artists have because they love what they have been gifted with. There doesn't seem to be an ending to it all and that there is plenty of room for everyone who has a gift to share. Thank you Barbara Delaney Kay0 of 0 people found the following review helpful. Five Stars By Jez H. Loved it!

Where paint, paper, fabric, metal, and wax all come to play! Uncover the very best articles and projects from Cloth Paper Scissors magazine. Editor Barbara Delaney has assembled a gold mine of hands-on inspiration and ideas for mixed-media artists of all types. Explore the exciting worlds of collage, journaling, encaustic, printing, assemblage, and more. Learn how to make interesting surface designs with Beryl Taylor, how to keep a uniquely-you sketchbook with Jane LaFazio, and how to transform a basic photograph into a whimsical wonder with Kelly Nina Perkins. The only rule in this mixed-media guide is that there are no rules. In addition to the tips and techniques, the experts elaborate on their favorite tools and mediums, including paintbrushes, adhesives, papers, waxes, found objects, and more, taking the guesswork out of achieving tricky effects. Perfect for all skill levels, The Cloth Paper Scissors Book showcases inspiring projects for both those who are new to the world of mixed media and those who already love mixed media and are looking for exciting new ideas.

"Go ahead, pick up a copy and stretch your mixed media wings!" CraftTestDummies.com "I'm reliving my heyday with these awesome articles from the humble beginnings of Cloth Paper Scissors. You will love them. I guarantee that. If you don't have access to earlier issues of the magazine, this is a great way to catch up and light a creative fire!" Kelli Nina Perkins, Blog "Those interested in mixed media will love this new book" Scrapscene.com
