so much more information! This is now my go to reference book. It gives you the history as well as descriptions of pieces and rarity. If I had know about this book; it would have been the first one that I acquired!0 of 0 people found the following review helpful. very informative and great colorful picturesBy louinthesunvery informative and great colorful pictures.0 of 0 people found the following review helpful. Lots of information!By L. MckinneyWell named. It is encyclopedic in scope. Everything you could possibly wonder about Fiesta ware.
