It has details about the dishes and glassware that I was looking for. It has my pattern on the front page! 0 of 0 people found the following review helpful. Geisha porcelain book By Carl Avera The book had many good illustrations and adequate of the geisha porcelain. The porcelain is interesting and needed some clarification and identification. I thought it answered my questions. The transaction was also a good one. 0 of 0 people found the following review helpful. A great amount of information and imagery on the very many ...By Michael N. Exactly what I was looking for. A great amount of information and imagery on the very many styles out there in the collector field. Pricing outdated, but as a general reference, still a great source.
