The prints collected in this book are as near to the original as I have ever found. The pigments are well matched, the paper is archival quality and the book is solidly constructed. I purchased two copies of this book - one for my permanent personal library and the other to loan to friends.4 of 4 people found the following review helpful. One of the Best Redoute Books everBy Karen Raeabsolutely stunning page after page floral paintings by Redoute. If you are a fan, you will cherish this book. Great for coffee table or your personal collection.1 of 1 people found the following review helpful. Four StarsBy Arleen LydtinIn excellent shape
