Barbara S Kline : The Complete Book of Florence Ceramics before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Book of Florence Ceramics:

1 of 1 people found the following review helpful. I highly recommend this choiceBy SheilaThis book has all the figurines in alphabetical order, so it's easier to locate items you are researching. The section with the different back stamps helps to determine time frames when the pieces were manufactured. If you chose to get only one reference book on Florence Ceramics, I highly recommend this choice, but both books on this California Pottery company would be excellent guides for collectors.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat reference material for the collector0 of 0 people found the following review helpful. PefectBy Marcella HilberWas exactly what I was looking for. Loved the way the dolls are categorized.

The Florence Ceramics Company of Pasadena, California, produced historical and literary figurines, birds, animals,

figural pairs, and an extensive line of artware from the early 1940s to 1964. This wonderfully illustrated book identifies them all, complete with names, sizes, colors, current values, and many additional details. Ceramic enthusiasts will enjoy the history of how company founder Florence Ward got her start in the ceramics business and how she researched the designs and period costumes of the figurines. Also included is a discussion of how the wares were produced, patent descriptions related to molding and manufacturing techniques, and interviews with family members and former employees. Florence Ward's attention to detail and quality control was truly the "labor of love" so aptly described by the authors. Ceramic figurine collectors everywhere will find this extensive resource invaluable and delightful.

About the Author Barbara S. Kline and Margaret C. Wehrspaun are co-owners of Sweet Pea Antiques (www.sweetpea.net), specializing in fine china and glassware. Jerry Kline is an antiques dealer and semi-retired business entrepreneur who serves as advisor to the Florence Ceramics Collector's Society. All three are longtime Florence enthusiasts and reside in East Tennessee.
