Shelagh Hollingworth : The Complete Book of Traditional Aran Knitting before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Book of Traditional Aran Knitting:

8 of 8 people found the following review helpful. Complete Book of Traditional Aran KnittingBy Kindle CustomerThis book adds more patterns and shows how to make Aran panels with different patterns. This makes it perfect to design the sweater, cardigan, long jacket. It gives help in casting on stitches for all newcomers. This book shows you how to design a sweater or vest or cardigan or anything else that requires your own Aran patterns the way you like them in your garment.2 of 2 people found the following review helpful. Love this book - I now have a healthy undrstanding ...By The GrannyLove this book - I now have a healthy undrstanding of Aran knitting. I like the smaller size of this paperback version. Thank you....2 of 2 people found the following review helpful. Aran knittingBy charity knudsonAbsolutely full of ideas and patterns. Instructions are great. The price was great. Very happy with it.

This book has excellent descriptions of history, techniques and equipment used for traditional Aran knitting. This book has 71 illustration of stitch samples along with information on designing garments
