Rae Compton : The Complete Book of Traditional Guernsey and Jersey Knitting before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Book of Traditional Guernsey and Jersey Knitting:

0 of 0 people found the following review helpful. It was listed in very good condition and this is not the case. By Johanna Q Ruck I am trying to return it. It was listed in very good condition and this is not the case. It smells of cigarette smoke that someone tried to cover up with cheap perfume. 5 of 5 people found the following review helpful. A classic, too bad it's OOP. By Loves to Knit This is a great book for knitting British Isle fisher sweaters known as gnaseys and Aran-type sweaters. Lots of history, techniques, charts, pictures, and references. Hope it comes back in print, it was pretty pricey. 1 of 1 people found the following review helpful. but love what I saw and scanned. By D Conner Only flipped through at this point, but love what I saw and scanned.

This handbook sets out to offer the reader stitch pattern charts, complete garment instructions and notes on how to design a wide variety of Guernsey and Jersey sweaters. These practical sweaters, which originated in the Channel Islands, were worn by fishermen throughout the British Isles, with each fishing village having its own style of stitch patterns.
