Mike Schneider : The Complete Cookie Jar Book (Schiffer book for collectors) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Cookie Jar Book (Schiffer book for collectors):

1 of 1 people found the following review helpful. DisappointedBy Betty WernerIt wasn't very complete. I was a bit disappointed in the content.

The most complete book on the subject ever published: contains extensive research, organized by both subject and by artists and dozens of companies, including McCoy, American Bisque, Hull, and many others. Plus, information on

distributors, importers, and retailers, along with guidelines to condition, counterfeits, and production techniques.
