**Anne Hulbert : The Complete Crazy Patchwork** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Crazy Patchwork:

1 of 1 people found the following review helpful. Five StarsBy Customerloved it0 of 0 people found the following review helpful. crazy patchwork bookBy crafterGreat book to put together a crazy quilt..Good instructions and color pages. Would recommend this book to any quilter that has a lot of scrape pieces.

This guide to the technique of crazy patchwork covers a range of styles, from the Victorians to the chic and minimalist examples of today. Working without templates, crazy patchwork is easy to learn, but will also appeal to the experienced needleworker.
