Grace Taormina : The Complete Guide to Decorative Stamping: Decorate Your Home Simply and Beautifully With Your Own Easy-To-Make Stamp Designs/Prepack 10 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Guide to Decorative Stamping: Decorate Your Home Simply and Beautifully With Your Own Easy-To-Make Stamp Designs/Prepack 10:

0 of 0 people found the following review helpful. A "must have" for serious stampersBy A CustomerI own dozens of decorative stamping publications, but this is probably the only one I would take to a desert island with me.Many rubber stamping books cover only beginner techniques, but this book encourages a stamper to be an artist, with ideas for stamping on every surface in the house but the family dog!Inks, paints,and surface preparation are discussed in detail, giving the stamper the needed guidance while encouraging creativity. Projects are detailed, but leave room for the personal touch.If you are interested in "art experimentation" like I am, this book will help you have sucessful

results, instead of frustrating messes!
