0 of 0 people found the following review helpful. Love this book!By AnonymousI love this book. It has a lot of good information on more than 100 herbs and how to use them around the home, as herbal medicine, and in cooking. It also includes many recipes for cooking, using around the home, for personal care, and crafts.0 of 0 people found the following review helpful. Five StarsBy CustomerGreat book.0 of 1 people found the following review helpful. Four StarsBy Richard M. PettiOK

This beautifully illustrated complete guide to herbs unlocks the secrets of these wonder plants from planting and harvesting to cooking and storing including their health benefits. This beautifully illustrated, complete guide to herbs unlocks the secrets of these wonder plants from planting and harvesting to cooking and storing including their health benefits. Now you can discover the joy and pleasure of growing your own herbs for spicing up meals, creating crafts, treating ailments, and more. In this comprehensive and beautifully illustrated herbal guide you'll find information on their history, cultivation, propagation, and harvesting, along with a wealth of great ideas for using herbs everyday in a variety of ways. This guide unravels the mysteries of these versatile plants, with savvy tips and simple formulas for maximizing their powers. Did you know? Mint can repel ants, flies, mice, and moths. Garlic can seriously lower cholesterol. Chives, fennel, tarragon, thyme, oregano, and winter savory are perennials. Rosemary was used in the Middle Ages for its tranquilizing effects, and it is still a digestion aid. Known for alleviating common ailments, herbs are an ancient natural wonder. Herbs are hotter than ever. Extremely informative and fascinating, this book will help you find which herb can treat various complaints. Throughout the guide are instructions for bursting-with-flavor recipes, health-care products, decorative craft ideas, insect repellents, cosmetics, cleaning agents, and much more.
