Eileen Chadwick : The craft of hand spinning before purchasing it in order to gage whether or not it would be worth my time, and all praised The craft of hand spinning:

0 of 0 people found the following review helpful. Five StarsBy J. McCrearywonderful book, well worth the \$\$

Beginning with the choice of fleece, the preparation, spindle and wheel spinning and how to produce different yarns, the book then discusses spinning with animal and vegetable fibres and the various techniques required. A final section is a review of the development of spinning techniques through the ages and advice on buying a spinning wheel and simple tools and equipment.
