**Melinda Coss : The Cross-Stitch Garden** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Cross-Stitch Garden:

0 of 0 people found the following review helpful. Three Stars By Barbara Campbell Good price...average patterns..0 of 1 people found the following review helpful. Good Design By MY The book contains special designs for flowers and animals. It also has small projects. Some of the stitch graph can be misread by the readers
