**Amy de la Haye : The Cutting Edge: 50 Years of British Fashion, 1947-1997** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cutting Edge: 50 Years of British Fashion, 1947-1997:

0 of 0 people found the following review helpful. Fifty years of British fashion By S. Guy Must have book for fashion students, designers, teachers etc. Very informative and concise. Great for research and reference projects Lots of history and color plates of the essential. Love my book!

This landmark book offers a stunning visual survey of the best of British fashion, from Hardy Aimes and the traditionalists to the eccentric contemporary designs of Mary Quant, Westwood, and Galliano. Accompanying the 150 color illustrations, 35 photos, and background text are interviews with 20 top British designers and a glossary of names and key dates.
