It is a dictionary with text only and no images. Terms pertaining to men, women, and children are included. Definitions are clearly written. The book would have been much more expensive to print if it had had pictures.0 of 0 people found the following review helpful. Amazing information, all they could add would be some ...By Emily ChidalekAmazing information, all they could add would be some information on when a word is used in other languages differently. For example, some words mean different things in British English, American English, and Australian English. It would be better if those things were noted.0 of 0 people found the following review helpful. Five StarsBy Meredyth BusickI love it

- What is an earthquake gown?- Who wore eelskin masher trousers?- What did the word "dudes" mean in the 16th century?

"A welcome, needed update of an early landmark dictionary on dress; a must have for all who care about the A to Z of fashion."--Joanne B. Eicher, Regents Professor Emerita at the University of Minnesota
