**Lorna Knight : The Dressmaking Technique Bible: A Complete Guide to Fashion Sewing Techniques** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dressmaking Technique Bible: A Complete Guide to Fashion Sewing Techniques:

4 of 5 people found the following review helpful. is easy to readBy pixieThis spiral bound 5"x7" hard cover hand book; is easy to read, carry and store. It is divided into 6 chapters, and has a textile directory in color that is very nice. All techniques, and embellishments are explained simply as well as the basic sewing processes showing hand stitches

and machine stitches. I enjoyed reading it, and can transport it easily as a reference. 1 of 2 people found the following review helpful. Great book that covers many of your sewing questions By Mike Clair Great book that covers many of your sewing questions. Very easy to follow instructions. I bought two copies, one for a gift.

Offers techniques for designing and making clothes, whether you are following a pattern, adding embellishments, or designing garments from scratch. This book includes illustrated instructions, which explain the essential dressmaking techniques. It is suitable for beginners, or those who are already designing or making their own clothes.
