This was for my daughter's b-day and immediately after opening ...By Scott HimesThis was for my daughter's b-day and immediately after opening it, she went to work and made her first duct tape purse for her mom. It really peaked her interest and she's already thinking about things not in the book.2 of 2 people found the following review helpful. Totally Worth It!By Merranda M.Bought this book for my 13 year old daughter who loves doing duct tape crafts. This was a good book to get her started on new things!0 of 0 people found the following review helpful. Too involvedBy robineGift for niece. Had few projects compared to other books and they were all on the "big" side. Not many small projects or many ideas about simple, fun things to do.

Duct tape has become the material of choice for creating fashions that showcase the wearer's originality and ingenuity. -- The New York Times Duct tape has become a cultural phenomenon, one of those things that explodes in popularity as more and more people find that its creative possibilities for fun far exceed its practical uses. Everything from prom dresses to artistic shoe repair is now made from this magic tape and millions of people follow the latest designs and projects on the many websites devoted to duct tape. Duct tape was invented during World War II when the military needed a strong, waterproof tape that could be used for emergency repairs. Using surgical tape as a base the new invention soon became everybody's secret weapon. This book contains 25 fascinating, original new projects -- some useful, all fun to do -- that are sure to capture the attention of duct tape artists everywhere. Easy to follow instructions and color photographs combine to guide anyone to producing unique and useful duct tape projects,

including: Bike pannier: customize your ride Vest: look great in tape Purse: unique, fashionable carryall Piggy bank: stick your money away Wallet: personalized ID holder Bow ties: fun with formal or formal turned fun Picture frames: reframe your memories Knapsack: personalize your pack Skirt and chaps Tissue box plus many seasonal projects and decorations. Join the fun! A few minutes spent with this book will help you master the sticky stuff and get on your way to being part of one of the most exciting and creative trends of the decade.

The Duct Tape Book will find a home in both school and public libraries where it will have a broad appeal with creative kids and teens. Recommended. (Betsy Fraser, Calgary Public Library CM 2013-09-06)From home repairs to home accessories the uses for this durable tape stretch as wide as you can imagine.
