Beautiful Book of Earring Designsmy only complaint is lack of photos to show you each step of instructions.By Rather be at the BeachI really love this Earring-Making Book! There are so many clever, beautiful styles to make, but I wish there were very clear instructions with pictures for each step to make them. I can figure out most of them from looking at the finished product, but I do love the books with the helpful pics that show you whether you are heading in the right direction. Because the projects are so beautiful, this is now one of my go-to books, and I have made quite a few of their styles. There are some books out there that play it safe, but I love the stunning styles and unique designs in this one.0 of 0 people found the following review helpful. Beautiful Earrings with Instructions that Really Instruct!By Ms.HumanistI am new to jewelry making and have been disappointed thus far in books I have either checked out from the library, or bought online. I kept on finding the instructions lacking in basics so I was lost before I even began. Stephanie has a great and easy way of making it seem easy with detailed instructions and pictures to illustrate each step. Great book, and I highly recommend it` - there are some drop dead gorgeous designs in it that she is kind enough to share with the world.1 of 1 people found the

following review helpful. Awesome. Fancy ProjectsBy IG@vizykfitWhat a wonderful book. The illustrations are great and the projects look simple enough for a beginner, yet complex still for the more advanced artisan. I am not disappointed with this purchase at the least.

Create an entire earring wardrobe no stylist required Stephanie Wells unique, trendsetting Double Happiness earrings have been regularly spotted on Oprah, Alicia Keys, Rachael Ray, and Beyonc. Here, the award-winning designer shows you how to make 40 of her signature earring styles without sacrificing time or budget. You'll learn basic jewelry making skills, as well as Double Happiness techniques for making frames, wrapping wires and beads, and connecting multiple wraps. Whether your style is chic, glamorous, rock-and-roll, or bohemian, you'll find easy-to-make earrings that will revive and revolutionize any outfit.
