From Brand: American School of Needlework/Asn Pub. : The Easy Learn to Knit in Just One Day before purchasing it in order to gage whether or not it would be worth my time, and all praised The Easy Learn to Knit in Just One Day:

Have you been wanting to get in on the knitting craze? Or do you know a little about knitting but want to know more? If so, this is the book for you. With our easy step-by-step picture method you can learn all the basics of knitting in just a few hours. Putting the yarn onto the needle, or casting on, is the first step. Then there are just two stitches: the knit stitch and the purl stitch. As you follow our learn-by-yourself lessons you'll feel like your knitting guru is right there beside you. We've included special hints and helps to keep you moving toward the road to knitting bliss. We know this book will help you enter into the enjoyable world of knitting. A world that so many are turning to for stress relief, the

camaraderie of others, an excuse to buy some colorful yarn or the simple joy of creating something wonderful! Which titles are competing with this title?
