ED Hose : The ED Hose Totally Off The Wall Coloring Book: Seriously Right Off The Wall before purchasing it in order to gauge whether or not it would be worth my time, and all praised The ED Hose Totally Off The Wall Coloring Book: Seriously Right Off The Wall:

3 of 3 people found the following review helpful. An epic coloring book for children and adults alike By Laura Ginn This was the first coloring book I had purchased as an adult and it is one of the best choices I have ever made. With an array of quirky subject matter that will leave you smiling it is just too unique a coloring book to pass up. There some large scale detailed oriented pictures to color along with some easier ones. All the images are unique, quirky, and made with care and friendly for children and adults alike. 2 of 2 people found the following review helpful. Top notch coloring book! By VAC If you know a coloring enthusiast and are looking for something fun and different, this is the coloring book to get. The paper is heavy, excellent quality. The illustrations are fun, whimsical

and appropriate for kids. There are pages with detailed, intricate drawings mixed in with pages that have lots of "white" space to get your color on. Coloring books can be so much more than the drug store, cheap paper, boring kind. This one will make anyone who loves to relax with a new box of Crayolas happy. Will be purchasing more soon for a great kids birthday gift. 5 of 6 people found the following review helpful. Ed Hose would have clearly been one of our visionaries and leaders to bring fun and creativity to all corners of the globe. By Brian D. Bradley Had the shape shifting lizard men not taken over our planet in the long forgotten alien coup... Had the human second Renaissance not have been stifled... Ed Hose would have clearly been one of our visionaries and leaders to bring fun and creativity to all corners of the globe. Instead, she is an underling of the cruel machine, a cog who wishes to break free... This coloring book tries to inspire humanity... and SUCCEEDS wonderfully with imagination, creativity and inspiration that only a few which have come before her have shown. It's too bad the reptilians have now been made aware of her plans to awake the world to art, children and adults alike, with her unbelievable imagination... They will surely come for her. I write this not as a review, but as a warning. Get your book while you can! Art as good as this, in a book so fun, WILL be outlawed... Don't buy one, buy several... Your friends and family will thank you. YOU ARE THE RESISTANCE!

A wacky whimsical coloring book for all the people of all the ages. The illustrations are some of the unique line drawings that ED HOSE creates during her artistic process. Dinosaurs, turtles, lizards, wizards and steam punk widgets abound in this random selection of designs. This coloring book comes with creative opportunities to create your own backgrounds, finish drawings and add your own quotes and doodles!

About the Author A freelance illustrator for the past 20 years, the work of ED HOSE can be seen world wide in the form of books, murals, logos, portraits and surprises. Her work is obsessively detailed and jumping with hyped up color in a style she has termed Neurotica. In addition to easily recognizable drawings, she also makes other things like soups, sculptures, puppets and friends!... awww. You can find ED HOSE in her natural habitat, a Super Tiny Illustration Studio on beautiful St. Simons Island GA or search for her in the cyberlands starting with the portal of her website www.edhose.com which will lead you to her blog, Twitter, Facebook, Instagram, online shop and all that good stuff.
