KWESKINgood embroidery books are like bibles to me , I do mostly hand embroidery , free form style and at times I need to find a stitch that I can make flow to express the feeling in my work. So I go to my Embroidery books. Can't live without them.0 of 0 people found the following review helpful. Wonderful works of artBy CustomerHelen is fantastic. I have two of her books now and prize them highly.0 of 0 people found the following review helpful. A very

lovely book of embroidery done by the author. By Margaret this is really a great book of embroidery. I hope to eventually have all of Helen Steven's books.

A superb collection of 75 embroideries--from spring flowers to a squirrel among fallen leaves. A wealth of information on composition and design. "...should delight needlework enthusiasts...Her designs are endowed with a whimsical gentility....Rich color reproductions illustrate the projects."-- "Booklist. 144 pages (80 in color), 8 1/2 x 11 1/2.
