Carolyn Walker, Kathy Holman : The Embroidery of Madeira before purchasing it in order to gage whether or not it would be worth my time, and all praised The Embroidery of Madeira:

0 of 0 people found the following review helpful. Great book. It is a great companion to the ...By bookgirlGreat book. It is a great companion to the Art of Madeira embroidery.2 of 2 people found the following review helpful. Best book on WhiteworkBy Anne GomesThe best book on Whitework out there. Interesting techniques and a big help. Has projects as well. Glad to see carries it now. I gave it 3 stars because some of the photography, etc is not as good as it could be. It's self-published.2 of 2 people found the following review helpful. Five StarsBy Stonewall CottageExcellent reference for collectors.

Dust jacket notes: "The Embroidery of Madeira features: step-by-step instructions - fully illustrated with diagrams and photographs - for the stitches and applied techniques; an in-depth examination of the fibers, fabrics and tools used in creating Madeira embroidery; a fascinating history of the development and characteristics of Madeira embroidery; a look at current manufacturing processes and techniques employed in the vital Madeira embroidery industry; five simple yet elegant projects - complete with patterns and fabric requirements - enabling you to create cocktail napkins, table mats, fingertip towels, ascots and place mats."
